Then cheer my brother cheer, our trials will soon be o'er
Our loved ones we shall meet, shall meet, upon the other shore
We're pilgrims and we're strangers here, we're seeking the city to come
The lifeboat soon is coming to gather the jewels home

The lifeboat soon is coming by faith we now can see
As she sweeps through the waters to rescue you and me
And land us safely in the port with friends we love so dear
Get ready cries the captain " oh, look she's almost here".

Then cheer my brother cheer, our trials will soon be o'er
Our loved ones we shall meet, shall meet, upon the other shore
We're pilgrims and we're strangers here, we're seeking the city to come
The lifeboat soon is coming to gather the jewels home
